Re: Certificate of Approval 1968-#3
New Castle County Sanitary Landfill
Tybouts Corner

Dear Mr. Hudson:

This is to request extension of the subject certificate of approval. We would like to be granted permission to operate the landfill for the remaining life of the facility which we estimated to be November 22, 1972.

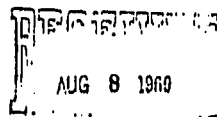

The operation has been carried out in accordance with the "State Solid Waste Disposal Code" and with the plans as submitted to your office for the original approval, and we do not anticipate to make any changes in the future.

Very truly yours,

George W. Dutcher
